DeDe
in the **MORNING**

Since 2011, DeDe McGuire has been the host of “DeDe In the Morning” on **K104-FM** (Dallas, TX).

The show airs Monday through Friday from 5am – 10am.

Along with co-hosts **Lady Jade** and comedian **Michael Shawn**, the morning show consistently outperforms all stations with top ratings in the Dallas/Ft. Worth market.

DeDe In The Morning is a “real life” morning show featuring a mix of the silly and the serious, with discussions ranging from popular daily news topics, current events and hip-hop culture, to comedy bits like the “Mad Minute” in which listeners prank-call friends and relatives, stirring them into bleeped-out frenzies.

The show often welcomes artists and guests into the studio for live interviews translating to strong social media engagement.

DeDe In The Morning is broadcast live weekday mornings from their KKDA/K104-FM Dallas flagship studios and available via syndication from Compass Media Networks, with or without music, along with a unique and segment-styled “DeDe’s Weekend Kickback” four-hour weekend show.

 **Recently became nationally syndicated with Compass Media Networks**

 **Currently heard on 25 radio stations across America**

 **The show is available weekday mornings and weekends**

 **Consistently dominates ratings in the Dallas/Ft. Worth metro**

TESTIMONIALS

DeDe
in the **MORNING**

We've worked with other syndicators and had some good syndicated shows thru the years, but nothing compares to our experience with Compass Media Networks and the "DeDe in the Morning" show. The results are greater than we could ever have expected, more than doubling the morning audience numbers year over year with women. We attribute this, in part, to DeDe and her team's willingness to customize and localize the imaging, promotional support and even some of the content. This isn't a pre-packaged show being delivered via the internet. DeDe and her staff are part of our family and an extension of our station and our brand.

Entertaining, empowering, and enlightening are just a few words that describe the powerhouse media mogul. This talented and award-winning personality is one of only a few women nationwide to have her own syndicated morning show. After co-hosting the nationally syndicated radio program "The Doug Banks Show", DeDe now hosts her own nationally syndicated radio show, "DeDe in the Morning", heard weekday mornings on KKDA/K104 Dallas, Texas.

DeDe has appeared on CNN, FOX, Oxygen and BET and has interviewed world leaders from President Obama, to Hillary Clinton, to celebrities such as Jay Z and Beyonce. She is a philanthropist, community activist, mentor and volunteer. DeDe McGuire strives to continue being a popular media personality, strong working woman and entrepreneur.

HAS BEEN CHOSEN AS ONE OF THE

Most Influential Women in Radio for 2019

The Radio Ink Most Influential Women in Radio list is one of our most important and well-read lists of the year. It's an opportunity to highlight the tremendous accomplishments of female radio talent, as well as those of other successful women, as we recognize many individuals who are doing great things for our industry. The special edition magazine is published in May.

DeDe McGuire says she loves radio because it's fun. "I love the freedom it affords me to talk directly to my audience and to receive their feedback. I can interact and connect to the community in a very immediate and intimate way. I love entertaining, informing, and bringing joy and laughter to listeners. Every morning, we are bringing the community together through our relationship on the radio. I have been blessed."

McGuire's advice for anyone starting out in the business: "Take your job seriously, and understand it is a business. I always tell people you can't get into the radio business just to get into the VIP section or to meet celebrities. That may come, but the truth of the matter is, it is a business. Understand the difference between career and business. Learn every position: I have been a receptionist, a mid-day jock, a co-host, a music director, and a public service director. It's important to understand how the business works and see it from every vantage point. Learn your craft."

On whether the workplace environment has improved over the past year: "I have always blazed a trail and said, 'I am moving forward.' I have certainly seen positive changes in the last five-10 years."

The DeDe McGuire Foundation helps women with a second chance to obtain a vocational, collegiate or university degree.

In March 2018, she inaugurated DeDe's Womens History Month Kickoff Luncheon benefiting Girls Inc. Dallas and Dress for Success Dallas. Dede also serves as Community Ambassador for Dress for Success Dallas and serves on the Women Called Moses Board.
